

Welcome to the Special Event Association of Northwest Ohio (SEANO). We look forward to working with you and enjoying the ever-changing and challenging world of special events.

SEANO is a network of event professionals representing local businesses, attractions, educational institutions, non-profit, hotels and convention bureaus committed to event programming. SEANO members are always willing to assist you in your activity or educational needs.

Do you ever wonder what goes on behind the scenes at a parade, how to work with caterers, venues, and volunteers, or which permits you might need for your event? Our association holds educational programming to answer all your questions as it pertains to planning your special event. We hold high-quality informational meetings where members may advance their professional development and network with others in our local special event industry.

We invite you to join us at one of our upcoming meetings and consider becoming an active member.

Mission
